

# **CITY OF SEAL BEACH, CALIFORNIA**

## **SPECIAL EVENT PERMIT APPLICATION PACKET**

*Available on-line at "[www.sealbeachca.gov](http://www.sealbeachca.gov)"*

#### WHEN CAN I REQUEST A SPECIAL EVENT PERMIT?

Due to the need for staff review and careful consideration of each special event, applications must be submitted within the timeframe specified below. If this time period is not met, City Staff cannot process the request and the application will not be accepted.

A Special Event Permit Application must be submitted no later than 4:00 p.m., thirty (30) days prior to the event date and no sooner than ninety (90) days prior to the event date.

#### BEACH REQUESTS PLEASE NOTE:

*Due to the high attendance on the beach during the summer months, Special Events proposed at Eisenhower Park or on the beach during peak season are not guaranteed. Applications will be individually reviewed based on impacts to beach use by residents and visitors.*

*Peak season begins the Friday of Memorial Day weekend and ends on the Tuesday after Labor Day.*

#### HOW TO APPLY FOR A SPECIAL EVENT PERMIT

To request City consideration of a Special Event Permit, the attached application and supporting documentation must be submitted to the Community Services Department. All application submittal requirements are listed on pages 1 and 2 of this packet. Filing requirements must be met in full, if an application is incomplete, City Staff cannot process the request and the application will not be accepted.

City Staff are available if you need assistance in completing the forms.

## SUBMITTAL REQUIREMENTS

### 1. **Application Form**

Complete the application in detail providing a complete description of the proposed event. Include both your mailing address and your home or business address, as applicable. Both the applicant and the property owner must sign the application. The application must be submitted no later than 4:00 p.m., thirty (30) days prior to the event date and no sooner than ninety (90) days prior to the event date.

### 2. **Owner's Affidavit Form**

The applicant must show the City proof that he/she is the property owner of the event location by providing a copy of the Grant Deed and a picture I.D., such as a driver's license.

If the applicant is not the legal property owner of the event location, the property owner must authorize the applicant to act as his/her agent by signing the **Owner's Affidavit**. If the property owner does not sign the Owner's Affidavit, the application is incomplete.

### 3. **Notice to Adjacent Property Owners – Radius Map and Mailing Labels**

A 100 foot radius map and mailing labels must be submitted as part of the application. The radius map must clearly show the event location and all properties within 100 feet of the location boundaries. The mailing labels must list all property owners and occupants within this radius.

A *Pending Notice of Special Event* must be mailed to all property owners **and** all occupants of properties within **100 feet** of the event location. The City will prepare and distribute these notices using the mailing labels submitted with the application.

If the event location does not have an address, such as the beach, use the closest parcel with an address to create a representative 100 foot radius.

*NOTE: The Orange County Assessor's Office allows residents to visit their facility and generate both radius maps and mailing labels for printing. The cost for printing maps is \$1.50 per map, lists of homeowners are \$1.00 per page, and mailing labels are \$2.00 per page. Please note, that owners and occupants must be notified so you will need to obtain two lists: a property address list and a homeowners list. The Orange County Assessor's Office can be contacted by phone at (714) 834-2727.*

### 4. **Plans**

A site plan, floor plan, and elevations depicting the location of the special event and proposed activities must be submitted with the application. All activities and their locations must be clearly shown on the plans. All plans must show how accessibility accommodations will be provided during the event. Page 12 provides an overview of accommodations that may be necessary. The applicant must submit plans as follows:

- All plans must be provided on a **minimum size of 8½" x 11" sheet** or **maximum 11" x 17" sheet** folded flat to measure 8½" x 11".
- The plans submitted must indicate the following:
  - a. All property lines, street and alley locations, street names, walkways, patio areas, all structures and their dimensions. Location of Special Event activities shall be indicated on the Site Plan.
  - b. Automobile parking arrangement, including location of driveways and their dimensions.
  - c. Interior floor plans showing the location of proposed special event activities.
  - d. Location and type of existing or proposed walls and/or fences.
  - e. Traffic control plan, where applicable.
  - f. Location of alcohol service. (ABC Permit required. Not all requests for alcohol sales will be approved).
  - g. Location of cashier, if applicable.
  - h. Location of live band area, if applicable.

5. **Filing Fee**

A Nonrefundable Filing Fee of **\$153** must be paid at the time the application is submitted. Checks should be made payable to "City of Seal Beach."

*NOTE: In some cases where there will be greater impacts to the City, a larger deposit will be required. City Staff are available to answer any questions regarding this.*

6. **Appeals**

A written appeal to Staff's decision must be filed within ten (10) calendar days of the receipt of the decision. Appeal Forms are available at the Community Services/Recreation Counter. A fee of \$200 must be submitted at the time an appeal is filed.

7. **Insurance**

Liability insurance in an amount not less than one million dollars (\$1,000,000) must be carried for the date of the actual event and must show the City of Seal Beach as an "Additional Insured" by this policy for the date of the event. Proof of this insurance must be provided with the Special Event Permit application. Failure to provide this information at the time of application will deem the application incomplete.

## **ACCESSIBILITY GUIDELINES FOR LARGE COMMUNITY EVENTS**

Please note that the guidelines provided below are to assist in planning the event only and may not be inclusive of all City, State and Federal disability access requirements.

### **General**

- Develop plans to ensure the unique conditions and activities of the event comply with all accessibility laws.
- The site plan must show the event layout with accessibility elements such as parking, portable toilets, ramps, seating, accessible path of travel, etc.
- All printed materials for the event must include a Request for Accommodation notice with the international symbol of accessibility, a contact name, and contact's phone number.
  - Requests may require material in alternate formats, interpreters, or assistive listening devices.

### **Accessible Routes/Paths of Travel**

- Accessible routes must be provided throughout all event areas
  - Including parking areas and passenger loading and unloading zones.
- Accessible routes must be identified with the international symbol for accessibility & include directional arrows.
  - Must be placed a minimum 60 inches above the finished floor or grade.
- Accessible routes must be a minimum 36" in width.
- Accessible routes must be stable, firm, slip resistant, and have no changes in level that exceed one half inch.
  - Loose gravel or grass areas do not meet the accessible route requirements.
- Cords, wires, hoses, etc., within paths of travel must be placed within cable ramps or under rubberized mats.
- Temporary ramps that do not exceed an 8.33% grade may be required to provide an accessible route.

### **Accessible Parking**

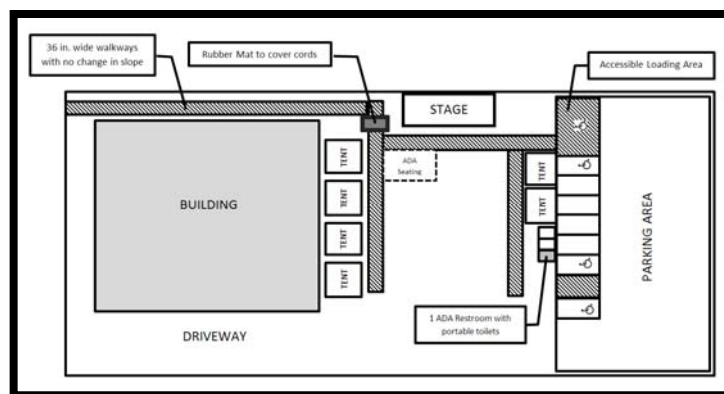

- If designated parking is provided for an event, accessible parking is required.
  - Accessible parking spaces should be available near the accessible entrance.
- An accessible passenger loading & unloading zone is required, even when event parking is not designated.
- Accessible parking and loading zones must be identified with the international symbol for accessibility.

### **Accessible Restrooms**

- There should be at least 1 fully accessible male and 1 fully accessible female restroom, or 1 accessible unisex restroom for the special event.
- If portable toilets are provided:
  - At least 5% of all portable toilets, but not less than one, must be accessible and located on a level area not to exceed a 2% cross-slope in any direction.
  - An accessible route to each portable toilet is required.
  - Accessible portable toilets must be identified with the international symbol of accessibility.
- Signs directing event attendees to restrooms facilities must be provided.

### **Accessible Seating**

- If seating is provided, accessible seating and companion seating areas must be designated.
- Designated areas must have accessible routes from accessible entrances and to accessible restrooms.
- Accessible seating areas should be located to provide a clear and unobstructed line of sight to the event.
- The international symbol for accessibility must be placed at a height for maximum visibility of designated

area.

## **SAMPLE SITE PLAN:**

**PLEASE NOTE:** This sample serves as a reference only. All site plans submitted as part of this application should fully represent the locations where events are proposed. Dimensions should be provided for all drive aisles, parking areas, walkways and gathering areas.

## **FREQUENTLY ASKED QUESTIONS**

### **1. Why do I need a Special Event Permit?**

The City of Seal Beach adopted an ordinance that requires certain activities to obtain a Special Event Permit. ALL persons/organization wishing to engage in these types of activities are required to obtain a Special Event Permit. Failure to secure a permit will result in termination of your event, citation by the City, or both.

### **2. What types of events require a Special Event Permit?**

One-time uses or events that do not commonly take place on a property are considered Special Events. Events taking place on public property, events requiring street closures or some other private use of public areas are considered Special Events. The City only requires a Special Event Permit for those events located on public property that involve more than 25 people, include the sale of food, or provision of live music. Events wholly enclosed within a City facility DO NOT require a special event permit unless live music is to be provided.

#### **EXAMPLES OF PUBLIC PROPERTY & PRIVATE PROPERTY SPECIAL EVENTS:**

- Assembly of 50 or more persons in a building not classified by the building official for such use.
- Beach Wedding (ceremony only, no receptions)
- Carnivals/fairs/large community events
- Christmas tree lots and pumpkin patch lots
- Haunted house events
- High school graduation night events
- Live Music/Outdoor Dining
- Model rocket launching
- Movie filming
- Outdoor Sales or Sidewalk Sales
- Public fireworks displays
- Pyrotechnics – special effects (movie filming)
- Tents (enclosed 3 sides) over 200 square feet.  
Canopies (open two or more sides) over 700 square feet. Temporary structures such as air supported structures (over 200 square feet).

### **3. Do I need to carry insurance?**

If the event is located on any portion of publicly-owned land, insurance coverage in the amount of one million dollars (\$1,000,000) must be provided for the date of the actual event and must show the City of Seal Beach as an “additional insured.” Proof of insurance must be provided with the Special Event Permit application. Failure to provide this information at the time of application will deem the application incomplete.

### **4. What does a Special Event Permit cost?**

The fee for a Special Event Permit is \$150.00 for one event. Additional deposits may be required for other City expenses incurred either before, during, or after a special event (Ex: Banner Permits, Street Closure Permits). If the proposed event requires any of these services, the required deposit must be paid at the time the application is submitted. Failure to pay these fees constitutes an incomplete application.

### **5. Why does the Special Event Permit cost so much?**

Within the Special Event Permit Ordinance is a noticing requirement to keep “affected” persons informed when the City receives a Special Event application. The Special Event Permit fees pay for mailings sent to these persons as well as staff time in reviewing, coordinating approval or denial and monitoring conditions placed on events. When applicable, supplement deposit monies are necessary to protect the City in the event of an unforeseen situation that might arise from the proposed event.

### **6. How long does it take to process a Special Event Permit request?**

Review and processing takes a minimum of 30 days for each Special Event application. Requests are forwarded to each Department for review and comment. Comments are generated based on the proposed location, event and impact on surrounding uses. For this reason, applications cannot be accepted more than 90 days prior to the event date as an earnest review of existing conditions would not be possible. Once all departments have completed review, comments and conditions are coordinated to issue an approval or denial.

### **7. Are any other permits required?**

Depending on activities taking place during the event, additional permits may be required. Refer to the table on page 2 of this packet for a list of permits required for common activities.

**8. *Am I required to pay taxes on my sales?***

Yes. Special Events that involve the sale of taxable goods must pay the requisite amount to the City. A typical example of this would be a used car sale.
